Foreword
The Second International Congress on Interdisciplinary Innovations

The International Journal of the Computer, The Internet and Management (IJCIM) is delighted to publish the Proceedings of The Second International Congress on Interdisciplinary Research and Development as the Special Issue of Volume 20. The numbers of papers submitted were 164 papers from 24 countries. Then, 90 papers from 19 countries were accepted for presentation at the Conference. From the 90 papers, 10 papers were selected to be published in full in the Proceedings. For the remaining 80 papers, abstracts are included in the Proceedings and the full papers may be downloaded from www.INRIT2012.com.

In my capacity as the Editor-in-Chief of IJCIM, I would like to thank those who have made the Congress and the Proceedings possible. The main organizers are the Interdisciplinary Network of the Royal Institute of Thailand Under the Royal Patronage of HRH Princess Maha Chakri Sirindhorn and the Interdisciplinary Network Foundation for Research and Development. Also crucial has been our sponsoring organizations Siam Technology College, as well as the staff members of the Office of President Emeritus of Siam Technology College, Thailand Chapter of the Computer Society of the IEEE, Thailand Chapter of the Internet Society, Thailand Chapter of the ACM, Prof. Dr. Srisakdi Charmonman Institute of eLearning, Thailand Internet Association, Association of Thai Internet Industry, and Asia-Pacific eLearning Association. Finally, I must also thank all members of the Organizing Committee.
