Foreword

The Third International Congress on Interdisciplinary Innovations

The International Journal of the Computer, The Internet and Management (IJCIM) is delighted to publish the Proceedings of The Third International Congress on Interdisciplinary Research and Development as the Special Issue of Volume 21. The numbers of papers submitted were 128 papers from 15 countries. Then, 112 papers from 15 countries were accepted for presentation at the Conference. From the 112 papers, 10 papers were selected to be published in full in the Proceedings. For the remaining 102 papers, abstracts are included in the Proceedings and the full papers may be downloaded from www.INRIT2013.com.

The 10 papers published in full are: Good Governance in Higher Education; Foraminiferans in Iligan Bay, Mindanao, Philippines and the Environmental Parameters Controlling its Diversity and Abundance; Stevia Rebaudiana: an Excellent Natural Alternative for Sugar Replacer; Critical Evaluation on ERP Applications for Defence Sector of Sri Lanka; A Lesson Learning on the Internet for Distance Education Teaching; Information System of Suitable Diet for Children’s Health Based on Website; Recommender System in Property Business a Case Study from Surabaya, Indonesia; Designing RPG Game to Increase Children Linguistic Capability; Carbon Footprint of Dormitories at Mahidol University, Salaya Campus, Thailand; and Various Electromagnetic Field (EMF) Measurement Techniques and Guidelines for Exposure Limits.

In my capacity as the Senior Editor-in-Chief of IJCIM, I would like to thank those who have made the Congress and the Proceedings possible. The main organizers are the Interdisciplinary Network of the Royal Institute of Thailand Under the Royal Patronage of HRH Princess Maha Chakri Sirindhorn and the Interdisciplinary Network Foundation for Research and Development. Also crucial has been our sponsoring organizations Siam Technology College, as well as the staff members of the Office of President Emeritus of Siam Technology College, Thailand Chapter of the Computer Society of the IEEE, Thailand Chapter of the Internet Society, Thailand Chapter of the ACM, Prof. Dr. Srisakdi Charmonman Institute of eLearning, Thailand Internet Association, Association of Thai Internet Industry, and Asia-Pacific eLearning Association. Finally, I must also thank all members of the Organizing Committee.

(Prof. Dr. Srisakdi Charmonman)
Senior Editor-in-Chief of IJCIM
